POSITION DESCRIPTION

The Associate / Senior Associate / Vice President position entails the following:

1. Research, diligence, and valuation of private equity portfolios. These portfolios will include equity and debt positions in a variety of public, private, mature and growth stage companies across a variety of industries and geographies.
2. Extensive financial modeling using Microsoft Excel.
3. Research of global industry trends and market data.
4. Assist in the negotiation and preparation of legal documentation in support of transaction execution and assist acquisitions.
5. Prepare presentations, investment recommendations and other written materials for internal and external use.

QUALIFICATIONS

Knowledge of corporate finance and accounting is required as is proficiency in the use of Microsoft Excel. The ideal candidate will demonstrate great attention to detail and be able to work independently with limited supervision. A minimum of 1-3 years of experience in banking, finance, or related field is preferred. Experience in the private equity secondaries market is also preferred. Knowledge of foreign languages is a plus.
